## SEXUAL HEALTH

Pilot project

Are you worried about being **pregnant** and want to take a test or get a medical consultation?

Do you suffer from **erectile dysfunction** or **pain during sex** and need a **medical check-up**?

Are you concerned that you may be infected with a **sexually transmitted disease**?

Do you want to have a smear test to **prevent cervical cancer**?

Do you need advice on **contraception**?

**PRISMA** is starting a project with an interdisciplinary support offer to promote sexual and reproductive health in East Belgium.

A doctor (F/M/X) will complete the team and offer medical advice in the field of sexual and reproductive health.

For any questions the team is at your disposal on Wednesday afternoon.
